Sponsorship Opportunities

DISCO

We're thrilled to invite you to be a part of our annual Dinner to Make a Difference for St Columba's Hospice Care in our milestone 50th anniversary year. This year's event theme is Disco.

Your sponsorship will help St Columba's Hospice Care continue to deliver essential services to the community of Edinburgh and the Lothians, providing free, flexible, person-centred palliative care.

By sponsoring this event, your organisation will gain valuable visibility while playing a crucial role in sustaining these services. Together, we can make a lasting difference for those facing life's most challenging moments.

The following pages outline the sponsorship opportunities available from £500 to £10,000. However we are happy to discuss a more bespoke package if none of these suit.

Referrals to our Children and Families team have increased by 49% year-on-year. Your organisation can help us meet growing demand and continue delivering vital support to families in our community.

As an event sponsor, your brand will be featured in email campaigns reaching 10,000 subscribers, plus across our social media and marketing channels to expand your visibility.
